## WORK EXPERIENCE

ArtCenter College of Design

Teaching Assistant

History of Illustration with Ann Field and Alia Malley

- Organized the online portal of the class on the platform Canvas, containing lectures, timed assignments and other documents
- Managed the online class's Zoom, including recordings, breakout rooms,
- Researched relevant links mentioned in live lectures

Orientation Leader

- Wrote, illustrated visual presentations to provide tips and information to new students on their first few days of school
- Spoke to crowds of 100+ students during orientation to answer questions, and to share personal experiences as a senior student
- Live drawn portraits, a 1:1 activity that allowed connection with new students

Research Assistant

- Conducted research about university's alumni, researching a total of over 300+ graduates over the course of the project
- Pioneered the use of multi-language cross research, reverse image search to collect data for the project
- Organized data and accomplished data entry forms for said graduates

Printed Matters, Inc. LA Art Book Fair 2025

- Managed shipments, handled verification of quantities of packages of over 100 packages from multiple countries
- Worked with a team of 15+ people to organize the venue for the event with a total of 40,000+ attendees
- Analyzed attendee flow and implemented changes to venue layout to improve crowd movement during the Fair

Cheil Philippines 제일기획

- Researched the social media content of three brand competitors of the Samsung brand, cataloguing posts
- Created presentations to visually communicate spreadsheets of data
- Accomplished analyses of each competitor's social media campaign and brand positioning, insights to be used to improve the Samsung brand's future marketing campaigns
