## WORK EXPERIENCE

HONDA R&D, EXTERIOR DESIGN INTERN

**JUN 2024 - AUG 2024, TORRENCE CALIFORNIA**

**Received the opportunity to work alongside the talented designers at HONDA R&D, working on exterior designs and deck proposals. Honing my skills and receiving feedback from managers and other designers. Worked for 12 weeks, focused on exterior design for upcoming concept cars during the first half, creating pitch decks and ideation with manual and digital media. Projects had fast deadlines. The last half, I worked on an individual project: a flying sakura blossom that focuses on creating a break for the user.**
