EDUCATION

Bachelor of Science:

Product Design

ArtCenter College of Design

2022 - 2025

PROFILE

I'm a designer focused on merging futuristic and chic aesthetics to develop minimal, sustainable designs that elevate everyday life.

SUMMARY OF SKILLS

Concept Development

- Generate 3D CAD models, photo-realistic renderings, and prototypes to communicate designs and design intent.
- Proven teamwork and communication skills.

Communication

- Communicate and resolve any issues in a timely manner.
- Improve my design skill through critique or feedback.
- Strong communication skills
- Dynamic problem solver
