ArtCenter College of Design
Pasadena, CA

06/24–08/24
**ArtCenter Cesar
Sponsored Studios**
Pasadena, CA

Partnered with students from different majors to reimagine Cesar's visual identity and product packaging. To design what the future of dog food could be.

Assisted Professor and students in class. Facilitated design critiques, mentored students through complex typographic problems, and provided guidance on each stage of the class assignments throughly.

Assisted the Graphic Design Department to design and deliver marketing materials for studio talks and other events. Facilitated the communications between guest speakers and the department.

Directed activities and community events for the Indonesian diaspora attending ArtCenter. Hosted talks with current students and reached out to support new students. Provided students and current members with resources so they could help each other.

Helped new students become more familiar with the school and their programs. Worked closely with the Center for Student Experience and the Director of Student Life creating printed materials and gave several major related orientation presentations on site.
