EDUCATION

Bachelors of Science, Transportation Design
ArtCenter College of Design, Graduation - December 2025

EXPERIENCE

Exterior Design Intern, Genesis Design California
Sep 2024-Jan 2025 / May 2025-August 2025- Irvine, California

- Assisted in the development and ideation of advanced concepts for incoming concept and show car proposals, contributing to the refinement of innovative design solutions
- Competed in a global internal design competition, playing a key role in shaping the company's upcoming advanced design projects
- Collaborated closely with the exterior design team on a personal project, dedicating four weeks to research, concept development, and design for a unique muscle car proposal

Industrial Design Intern, Ken Okuyama Design
Sep 2023-Dec 2023 - Tokyo, Japan

- Providing advanced concept ideation for new supercar/sportscar/hypercar coachbuilding project(s)
- Professional-level design assistance for graphic, architectural, and industrial design projects using traditional sketching, Photoshop & 3D
- 4-week personal urban mobility design project, centered around and inspired by the unique infrastructure of Tokyo, Japan

Industrial Design Intern, LiveWire/Harley-Davidson Motor Co.
May 2023-Aug 2023 - Milwaukee, Wisconsin

- Conducted market and user research on the latest trends and products in the motorcycle, product and automotive industry
- Provided advanced concept ideation for next-gen motorcycle projects, with digital sketching, Photohop Rendering & 3D
- 4-week personal design project, aiming to tackle a unique four-wheeled mobility segment, with support from the design team
