- Bachelor of Science
- Entertainment Design, Concept
- GPA: 3.9

SKILLS :

- Character and Costume Design
- Prop Design
- Concept Art
- World Building
- Production Design

PROGRAMS :

- Photoshop
- Blender
- Procreate
- Sketchup
- After Effects

EXPERIENCE :

FREELANCE CHARACTER ARTIST

2020 - PRESENT

Character Designer and Illustrator

- Designed characters and costumes for individual clients
- Direct and consistent communication and updates with clients to verify desired design direction
- Managed my own business by marketing myself, managing finances, and analyzing market and audience trends

FOOL'S GOLD PROJECT

2024

Character Designer

- Designed multiple characters, story beats, and various narrative elements. Also assisted in cleanup, development and designing prop and environment elements
- Developed and learned a new project-specific style to adopt
- Constant communication with teammates to ensure project-wide consistency and collective satisfaction of assets
- Directed story key frames to amplify emotional content

TEACHER'S ASSISTANT

2025 - 2026

Inner Character Design at Art Center College of Design

- Critiqued and assisted students with character design, emotional storytelling, and composition
- Presented and pitched to the class about my previous work, projects, and course material
- Collaborated with the teacher to redevelop course material with student deadlines, priorities, and learning interests in mind
