PRESENT

Art Center College of Design

- Answers student questions and helps provide students with drawovers and resources to help on their homework.
- Manages communication between students and teacher.
- Edits animatics by using video cutting software to edit together student work for reference.

**Disney Television Animation**

2025

Creative Production Intern - Phineas and Ferb

- Developed B/W props, character designs, and storyboards under the direction of Art Directors and coordinators.
- Designed characters and created a storyboard based around The Owl House for intern assignments.
- Worked with a small team to coordinate, schedule, and create a Chibi Tiny Tales animatic.

**Storyboard Revisionist**

2025

Studio Giggex

- Provided finished timed storyboards of character movement and acting utilizing rough, initial storyboard panels
- Updated storyboards based on director notes and draw overs.
- Cleaned up storyboards and adjusted characters to be on-model.

**MI Concept + Design Inc.**

2024

Freelance Environment Artist

- Collaborated and discussed with clients to produce detailed elevation and point-of-view drawings for a reef-themed restaurant in a theme park.
- Interpreted and refined existing design concepts into visually compelling linework illustrations.
- Delivered high-quality illustrations within deadlines, refining based on client needs and ensuring satisfaction.
