EXPERIENCE

TESLA 11-month Digital Design Internship | May2025 - Mar2026

Actively participated in studio projects

- concept stage interiors using SubD / production ready surfaces with Nurbs.
- surface changes for production.

Communicated with designers and engineers to find solutions for creating fine surfaces that match engineering standards.

Practiced building surfaces to Tesla standards.

NISSAN 4-month Digital Design Internship | Jan2025 - Apr2025

Assisted designers with SubD models.

Practiced building from photoshop sketches using Nurbs.

Internship Project 'Pulsar' - interior design and digital modeling.

CARLAB Automotive Analyst Internship | Jan2023 - Apr2023

Assisted on making a mock-up model for the Toyota Clinic.

Worked on the sketching process as an UX/HMI designer for the Hyundai Clinic.

Worked on the analysis of NYIAS and Carlab's database.
