EDUCATION

ArtCenter College of Design | 2020 – 2026
Pasadena, CA
Candidate for Bachelors of Science, Industrial Design

Pasadena City College | Jun - Aug 2025
Pasadena, CA
Candidate for Bachelors of Science, Industrial Design

ACADEMIC PROJECTS

OASIS | Aug – Dec 2025

- Design a shade concept and poster that follows the criteria of functionality, organization, accessibility, logistics, scalability, real-world implementation, build-ability, and sustainability
- Set project deadlines and worked with team to meet our design and development goals
- Concept showcased at Shade Zones Design Competition

XFOLIATE | Sept – Dec 2023

- Design a system that prepares LA County in the advent of a natural disaster
- Generate sustainable solutions for the product’s life cycle from materials extraction to its end of life.
- Concept presented and showcased at Pando Populus 2023

ANYWISE Side/Work Table | Sept – Dec 2022

- Designed a side/work table that is mobile and bolsters work efficiency
- Analyzed and performed large scale research using STEEPX to discover 30 macro trends, product storytelling, and study of 10 small and large competitors
- Utilized business tools - blue ocean strategies, archetypes, strategy canvas, ERRC Grid, brand positioning, SWOT, 10 year roadmap
