## Education

ArtCenter College of Design - Pasadena, CA

2022 - 2026

- Bachelor of Arts, Illustration

---

## Work Experience

Costume Design

May 2024 - Ongoing

- Commissioned by the musician, Y. Yudistira, to design costumes for their character to wear in their music videos and sold as merchandise.
- Currently have designed five different characters and costumes.
- Provided turn arounds and variations of each costume designed.

Music Video Assets

May 2024 - Ongoing

- Commissioned by the musician, Y. Yudistira, to illustrate assets for their music video.
- Provided a variety of fish illustrations.
- Collaborated with the musician to go over how to design backgrounds and props.

Tetrascape [Texture Artist]

March - June 2023

- Collaborated with other co-workers to create and design different textures to be sold on the Minecraft Bedrock store page.
- Worked with pixel art and 3D models in the program Blockbench.

Freelance Illustration

November 2020 - Ongoing

- Doing commissions for people of their characters, backgrounds, and/or full illustrations.
- Currently have done 32 freelance illustrations.
- Collaborated with the commissioner every step of the way, showing each progress done from sketch, lineart, color, and final render of the piece.
- Used Clip Studio Paint to provide the art from start to finish.

---

## Projects

"The Sparrow's Judgement"

Fall 2024

ArtCenter College of Design - Pasadena, CA

- Designed props, characters, vehicles, and backgrounds.
- Collaborated on a team of three including illustrators and designers.
- Researched old Dutch fairytales, old England settings, and the steampunk aesthetic.

"Birthday Star"

Fall 2024

ArtCenter College of Design - Pasadena, CA

- Developed a story designed for a children's book.
- Illustrated five key scenes.
- Designed characters and environments.
- Used Photoshop.

---
