ARJ LOS ANGELES

1318 7th St, M1 Ste 114,
Los Angeles, CA 90021
United States

Dear ARJ Los Angeles Team,
I'm excited to apply for the Retail Sales Associate position at ARJ Los Angeles.
As a designer who values craftsmanship and cultural storytelling.

Handcraft

My interior design background gives me a unique perspective on craftsmanship. I'm drawn to objects that embody cultural narratives and human touch. Personally, I designed and handcrafted a lamp that represents the overseas Chinese story. This experience deepened my appreciation for ARJ's artisan philosophy.

Aesthetics

ARJ has a balance between minimalism and warmth. During my internship at Giampiero Tagliaferri Studio, I managed the material and furniture inventory from auctions using Airtable. I developed a tactile understanding of materials in this process, the coolness of stone and roughness of fabric, which I also find in ARJ's products.

I'm eligible to work in the U.S. and flexible with scheduling, including weekends and holidays and eager to contribute to ARJ's team and help share its beautiful stories with every visitor. Thank you for your time and consideration.

Best regards,

Linyan
