---

## Education

2021-Present  
**ArtCenter College of Design**  
Major - Bachelor of Science, Product Design  
Minor - Business

---

## Experience

2025  
**Industrial Design Intern** | Priority Designs  
Columbus, OH  
I worked on multiple fields of design such as medical, athletics, and baby products from notable brands like Taylor Made, Stryker, and Frida Baby.

2024  
**Footwear Designer** | Dizygotic  
Portland, OR  
Contracted designer developing the company's next flagship footwear with a blue ocean ideology.

2024  
**Project Designer** | Clics | Sponsored Studio Brainstorm  
Pasadena, CA  
Redesigning their existing color mixing machine for a more streamlined, functional, and luxurious product.

2022 - 2025  
**Design Teacher's Assistant** | ArtCenter College of Design  
Pasadena, CA  
Class | Process Prototype | Entertainment Prop Design  
Providing advice and lectures for techniques in the workshop, ideation, and storytelling.

2025  
**Laser Lab Technician's Assistant** | ArtCenter College of Design  
Pasadena, CA  
Operate, assist, or educate others on the use of our laser machines. Also, enforcing safety regulations to prevent injuries and accidents.
