EDUCATION

Bachelor of Science | Transportation Design IN 05/2026
ArtCenter College of Design, Pasadena, CA

Associate of Arts | Illustration 06/2021
Kingsborough Community College, Brooklyn, NY

EXPERIENCE

AUTOMOTIVE DESIGN INTERN 06/2025 to 08/2025
Genesis North America

Participated in current studio projects, contributing to design development and visualization.

Quickly translated sketches into 3D Blender models, ensuring accurate representation of design concepts.

AUTOMOTIVE DESIGN INTERN 01/2025 to 04/2025
Stellantis Advanced Studio

Researched and developed stories for interior and exterior design projects.
Proposed innovative interior concepts through sketches and quick renderings.
Created 3D models based on key sketches.

AUTOMOTIVE DESIGN INTERN 01/2024 to 04/2024
The Carlab

Collaborated with team members to analyze and report on data trends, debuting new insights, and covering automotive media events in New York.
Provided detailed analysis and insights on automotive market dynamics.
Implemented a new reporting framework, boosting the accuracy of automotive media reports.

DESIGN & VISUALIZATION

- Automotive Visualization & Rendering (Blender, Cycles)
- Digital Lighting, Materials & Shaders
- Interior CMF Visualization
- AI Visualization Tools (Hailo AI, Sora)
- Cinematic Animation & Visual Storytelling
- 3D Modeling
- Video Editing (CapCut)

LANGUAGES

English (Fluent) Ukrainian (Native)
