COURSE PROJECTS

"PROTO-NEO POSTERS" - Film Poster Series | SEPT 2025 - APR 2026

ArtCenter College of Design

- Finalized 5 film posters in Photoshop, including 86 ideation thumbnail sketches, adhering to style guides of midcentury poster art to ensure authenticity and originality in designs.
- Collaborated closely with industry professional illustrators and designers during various stages of development, rigorously integrating feedback.

"MIWU" - Entertainment Narratives | MAY 2024 - AUG 2024

ArtCenter College of Design

- Conducted reference gathering and team ideation sessions to strengthen the environmental and character designs.
- Designed visual development production assets in Photoshop for 2 environments, 5 characters, and pitch presentation board.
- Animated 5 shots of parallaxing in-game lookdev footage in Blender and composited fully animated trailer shots for final 8-minute video pitch

WORK EXPERIENCE

Teaching Assistant | SEPT 2023 - APR 2026

ArtCenter College of Design

Design 1 | Maura Bendett

Illustration Design Labs | Owen Freeman, Paul Rogers

Graphic Design for Entertainment | Paul Rogers

- Supported instruction for 20+ students focused on design fundamentals of composition and color.
- Guided students through offering research support from archives and databases, provided critique, and explored the intersection of graphic design and illustration via typography, shape language, and texture.

EXHIBITIONS & AWARDS

Twin Peaks Lobby Art Show | FEB 2026 - APR 2026

The Frida Cinema

- Illustrated two pieces of artwork under a competitive selection process, exhibited in a high-traffic cinema lobby and supported on-site merchandise sales and customer engagement.

CPD Mentorship Program | SEPT 2025 - JAN 2026

ArtCenter College of Design
