EXPERIENCE

Visual Development Artist | Liminal Summers

Los Angeles, California January 2026 - Now

- Designed concept pieces of characters that showcased their personalities and helped guide the board artists on how the characters would interact in the wild, wacky world of Liminal Summer.
- Created social media art to fill the team's marketing schedule and website.
- Followed through an entire design pipeline from blue sky concepts to finalized color and turns. Integrated feedback from directors and the creative producer, met deadlines, and communicated with production.

Teacher's Assistant | ArtCenter College of Design

Pasadena, California 2024 - 2026

Visual Development & Photoshop Fundamentals - Instructor Jim Salvati

- Mentored graduating students in shaping pitch packages for intellectual properties. Provided detailed constructive feedback on typography, color palettes, and formatting, ensuring coherence with visual assets.
- Completed for timed paint-overs on character expressions and storybeat key scenes, aided students in visualizing critiques and ensuring alignment with desired mood.

Design 1 - Instructor: Joshua Holzmann

- Aided lower-term undergraduate students pursuing IxD, product, illustration, and graphic design to push rough concepts into fully fleshed out, real-life applications by discussing and testing the possibility of user confusion from 2D / 3D mockups.
- Resolved the academic and emotional challenges by facilitating communication between students and faculty through coordinating a virtual study group with live updates on assignment expectations and a positive peer-to-peer learning community.

Composition and Painting - Instructor: Nathan Rohlander

- Streamlined and managed painting/drawing setup for in-class demonstrations by restocking materials, organizing course materials to be easily accessible, and maintaining accurate attendance records to ensure proper grade calculation.

Guest-Service Representative | Comic-Con SDCC

San Diego, California 2023

- Coordinated with a small team to provide accessible guidance and a fun, safe convention experience for guests. Tracked any escalator malfunctions and enforced line safety protocols.
