Graphic Designer

2025.05 - 2025.08

Acorns

At Acorns, I work on the graphic design team to create branded assets for social media, marketing emails, and internal presentations. I'm learning how to design within a brand system, collaborate remotely, and adapt visuals across different platforms while keeping everything consistent and clear.

2023.09 - 2024.12

Starbucks

Provided fast, friendly service in a high volume pickup only store, preparing drinks and handling mobile orders with speed and accuracy. Maintained a clean, organized workspace and supported team operations during peak hours. Gained experience in customer service, and multitasking.
