EXPERIENCE

Harley-Davidson, Design Intern

October 2022 - April 2023
Collaborated with design teams to design vehicles, parts, and accessories for Harley-Davidson products.

Stradale Design, Designer/3D Modeler

June 2022 - September 2022
Design and model production parts in Autodesk Alias. Scan vehicles, operate CNC machine, 3D print, and lay carbon fiber for after-market parts.

Design Academy Center, Industrial Design Instructor

May 2022 - June 2022
Taught young students how to clearly and correctly communicate concepts and present ideas. Set goals and plans for college/job applications. Effectively help design and build portfolios.

ACCD Orientation, Orientation Leader

August 2021, March 2022
Group facilitation through encouraging participation, time-management, and teamwork.
Disseminating information such as ACCD policies and procedures, wellness, campus involvement.
Representation and retention through role modeling, trust, respect and recognizing and appreciating diverse perspectives.

ACCD Student Gov. Transportation Representative

May 2020 - January 2022
Held department and cross-disciplinary community-building events and workshops.
Built and managed the department discord for over 85 students.
Collaborated with several peers to problem solve and create solutions for student populations.

INTERESTS AND HOBBIES

I enjoy taking on personal projects that challenge me to use my creativity and instinctive 3d nature. I also love going on adventures and enjoying life's simple pleasures.
