FOCUSED COURSEWORK AT ARTCENTER

October 2021 – December 2021
Kindred Space Los Angeles

Selected to participate in a transdisciplinary course with Illustration and Graphic Design students to create an infocomic resource for African-American midwives. Our goal was to educate individuals about Black-owned birth centers, the culturally rooted midwife services they offer, and to emphasize the expectations placed on non-white mothers during their pregnancies.

EXPERIENCE

May 2023 – June 2024
Team Member
Ubatuba Acai
Pasadena, CA

Part of the customer service team assisting customers with orders and inquiries. Maintained the cleanliness and organization of the shop, including food preparation areas and dining spaces. Contributed to a positive and efficient work environment to enhance the overall experience.

November 2023 – December 2023
Freelance Illustrator
Modu Publication
Los Angeles, CA (Remote Hybrid)

Served as the primary illustrator for the Modu Memories Sample project, a consulting assignment to create a commemorative wedding book. Worked closely with the project team to translate intricate concepts into visually captivating illustrations, enriching the overall storytelling experience.

July 2022 – October 2022
Freelance Illustrator and Graphic Designer
Los Angeles, CA

Created illustrations and graphic design elements for a children's book. This involved initial consultations, thorough research, development stages, storyboarding, multiple rounds of rough drafts, layout design, and revisions. Delivered a physical prototype and in PDF formats.
