O EXPERIENCE

Event Planning/Execution

Hangzhou Que Cultural Creativity Co., LTD, Hangzhou, China for Hong Kong Land West Exhibition Hall opening event

I was mainly responsible for communicating with Party A in regard to the activity theme, modification and implementation plan, as well as contacting suppliers to confirm the material. Entrance and exit and activity site maintenance were also in line with my duty. I learned a lot about effective communication with work partners and cooperation with colleagues. This internship helped familiarise my skills in practical and multitasking work, and the importance of communication and planning in work as well as controlling the progress and timing of the project.
