Skilled in Adobe Photoshop  
Storyboarding Capabilities

Skilled in Procreate  
Visual storytelling

## WORK HISTORY

Character Design Concepts | Contrarian Media

09/2023 - 01/2024

- A solo project to create nine unique character designs from concept to completion. This involved ideation, sketching, refining, and finalizing each character's look, personality, and style.
- Expanded artistic skills through continuous learning and professional development opportunities.

Teacher Assistant | Artcenter College Of Design

09/2023 - 12/2023

- Supported planning and preparation for culturally-diverse class sessions.
- Responded to student needs and questions promptly.
- Apply artistic skills by rewriting drawings for students, helping them understand and improve their work.
