EXPERIENCE

Maryland Institute College of Art — *Exhibitions Staff* — Baltimore, MD   January 2020-July 2020

- Installed 2D and 3D exhibitions: managed and troubleshot gallery technology, transported artwork and gallery furniture, and repaired gallery spaces
- Coordinated public visiting hours, monitored on campus galleries, and performed office administrative duties

Purdue Exponent — *Writer & Editor* — Purdue University   August 2018-December 2019

- Submitted perspective, synopsis, and opinion articles for further review and publication
- Proofread peer articles for grammatical errors before widespread distribution on campus

Student English Association — *Writer & Editor* — Purdue University   August 2018-December 2019

- Collaborated with fellow members to handpick compositions to display in upcoming editions

RELEVANT COURSEWORK

Entertainment Design Lab with Claire Keane — January 2024-April 2024

- Produced an original visual development portfolio titled Dragonfish with character design, color keys, value layouts, environment design, and action keyframes

Color & Design with Angie Duran — September 2023-December 2023

- Executed a visual development portfolio from an original story titled Dhampiras with character design, value thumbnails, environment design, and cinematic keyframes
